## Football Main Screen Introduction

The screenshot shows a mobile application interface for football betting. It features a vertical list of options under the heading 'Football'. The options are: 'Match Schedule', 'Bet Types', 'In Play Betting', and 'Half Time Betting'. Below these is a section titled 'Or Direct Select Match :'. This section contains a dropdown menu currently set to 'MON', a text input field labeled 'Match No.', and a 'Send' button. At the bottom of the screen is a button labeled 'HKJC Main Menu'. Red boxes and circles with numbers 1 through 4 highlight these specific elements: 1 points to 'Match Schedule', 2 points to the 'In Play Betting' and 'Half Time Betting' options, 3 points to the 'Match No.' input field, and 4 points to the 'HKJC Main Menu' button.

1. Click **Match Schedule**
2. Available football bet types
3. Direct Selection of the desired match to bet
4. Click Back to **HKJC Main Menu** to go to main menu
