## 1.3 Horse Racing Bet - Flexi Bet

<Flexi Bet> is a new betting method on horse racing, applicable to Exotic pools*, All Up and Cross Pool All Up. After selecting the pool and selection(s), you can specify the bet total of the bet by selecting <Betline $>, the betting system will calculate the unit amount of the bet i.e. to divide the <Betline $> amount by the total number of combinations.

### Input Flexi Bet Instruction
Example: TIERCE - Banker Multiple
1. Select <TCE>
2. Select <Banker Multiple>
3. Select <Race Number> e.g. Race 3
4. Select Bankers, e.g. select 2, 8 and press <Banker>. Then select Legs, e.g. select 3, 5, 6 and press <Next>
5. If you want to choose <Flexi Bet> for the bet, please press the <Betline $> button, a symbol (FLEXI BET) will also be displayed along the betline on the screen
   Note: <Unit Bet> is set as the default selection

III. Betting

6. Input the amount (e.g. $100), press <Next>
7. Check the bet to ensure the details is correct, press <Send Bets>
8. After sending the bet and reply is received, you can either use <Transaction History> or <Recall Transactions> function to check the bet details Note: In this example: "TCE BM 3*2+8>3+5+6 $5.5556/18 (FLEXI BET) $100.00" i.e. the unit bet amount is $5.5556

Attention:
- Only Exotic pools*, All Up and Cross Pool All Up are applicable.
- If the <Unit Bet> is less than $10, the bet total must be $100 or more.
- If the bet total is between $100 and $299, the minimum unit bet amount for T-T or Six Up can be as low as $2. For other exotic pools*, it can be as low as $5.
- If the bet total of Exotic pools* , All Up or Cross Pool All Up is $300 or more, the minimum unit bet amount can be as low as $2.
- The Club may make any change of <Flexi Bet> without prior notice.

* Exotic pools include: Trio, Double Trio, Triple Trio, Tierce, Treble, First 4, Six Up.
